

TRYING TO WIN THE "AMERICANS"

Republicans Are Endeavoring to Effect a Compromise With Bolting Brethren.

SACRIFICE COUNTY TICKET

DESPERATE ATTEMPT MADE TO CONTROL LEGISLATURE.

Fearing that the Democratic state and national ticket will carry Utah and fearing that a Democratic legislature will down the chances of Smoot's return to the United States senate the Republicans are preparing to sacrifice their chance of victory in Salt Lake county to court the assistance of the "Americans" in their attempt to carry the state.

At least three prominent "Americans" have been approached in the last few days by leaders of the Republican party and an attempt made by the Republicans to effect a compromise. To the "Americans" this offer has been made: That the Republicans will allow the "Americans" to place the Taft electors on their state ticket in case the "Americans" will not put up a state or legislative ticket. The Republicans concede to the "Americans" all of the other county offices if they can only save the state and legislative tickets.

The "Americans," however, are not bent on accepting the offer of the Republicans. The majority of the "Americans" will undoubtedly vote for Bryan in any event and these believe that they have an excellent chance to carry the county without having to form an agreement with the Republicans. And the proposition made to them to endorse the Republican state ticket, they maintain, is ridiculous, since the Republican ticket will undoubtedly be named by the Republican machine—the machine that is responsible for the existence of the "American" party.

A large number of independent Republicans, while yielding to no one in their Republicanism, will vote either the Democratic or the "American" ticket this fall as a rebuke to the machine politicians who control the Republican party organization. This feeling, so the insurgents declare, is not only in Salt Lake county but throughout the state and especially in the southern part of the state. Several strong Republican newspapers in the southern part of the state have denounced the machine dictation in party politics and in case the machine slate is not broken at the state convention next Tuesday it is not improbable that some of these

PRIMARIES TONIGHT.

Republicans to Elect Delegates to State Convention.

The Republicans in Salt Lake county will hold their primaries this evening between 8 and 9 o'clock, to select delegates to the Republican state convention to be held in Salt Lake next Tuesday. In some of the districts friends of Parley P. Christensen are putting up a warm fight against the machine men. Parley Christensen is seeking to control at least half of the Salt Lake county delegation. Workers favoring the candidacy of several other Salt Lake office seekers are contending for places on the delegation. The Salt Lake candidates for positions on the state ticket are Parley P. INSTRUCT CANDIDATES.

Republicans in Pangulitch Primary Want All the Offices.

Pangulitch, Sept. 6.—The Republican primary was held last night to elect delegates to the county convention to be held at Tropic on Sept. 12. After considerable debate the following delegates were named:
John N. Henrie, D. L. Heywood, H. P. Ipsom, Ben Cameron, Jr., Thomas Haycock, Thomas Sevy, J. B. Heywood, G. J. Goulding, G. B. Hancock, Clem Tobias, Thomas Partridge, J. F. Worthen and James Steele.

There are twenty-nine delegates in the convention, and Pangulitch precinct has thirteen of them, only lacking two of a majority of the delegates in the convention, and they have been instructed for every office in the county.
A lively time is expected at the convention, as every district of the county instructed for their share.

AGAINST NEW DISTRICT.

Woman's Democratic Club Opposes Extension of Vice.

At a meeting of the Woman's Democratic club, held at the residence of Mrs. Ventress yesterday afternoon, a resolution was adopted opposing the establishment of a "red light" district on the west side.

Mrs. F. W. Price, who is not a member of the club, but who has been taking an active part in the fight against the removal of the restricted district to the west side, asked permission to speak favoring the resolution. After her talk the resolution was passed.

Judge G. V. Powers gave an interesting address on the Democratic platform adopted at Denver. He expressed the belief that Mr. Bryan would carry the nation by an enormous popular vote. His address was received with enthusiasm.
Miss Jean Hayward gave a pretty piano solo.

Political Notes.

Colonel Charles Edward Looze of Provo, the candidate for governor who was relegated by the Smoot crowd to give the place to Marshal William Spry, was in Salt Lake yesterday and called at the federal building to see his former friends. As a consolation prize Colonel Looze has been selected to act as state chairman of the Republican campaign in Utah, and as such to conduct the campaign for his successful rival. Although there is probably some significance politically in the visit of Colonel Looze, he declined to talk politics.

Joseph W. Stringfellow, a well known Salt Lake attorney and a prominent Democrat, has announced his candidacy for attorney general on the Democratic state ticket.

Senator Reed Smoot was in Salt Lake for a few hours yesterday afternoon. He returned to Provo last evening. The senator said that his visit to Salt Lake was of a business rather than of a political nature. He refused to give out a political interview, saying merely that he was confident that Taft would carry the country.
